

## Foundation Medicine In-Network Insurance/Payer List

Foundation Medicine is currently an in-network provider for the following insurance companies for one or more of our portfolio test offerings. For the plans listed below, Foundation Medicine is in-network with one or more lines of business (i.e. managed medicaid, commercial, and/or medicaid advantage). Please feel free to contact us at 888-988-3639 for more information.

You can also check with the health insurer for your patient if Foundation Medicine is in-network by providing them with our tax identification number: 27-1316416.
